Beck/Arnley Updates its Web Ordering Site *Users can now choose from English, French or Spanish*

SMYRNA, Tenn., Sept. 5, 2006 – Beck/Arnley announces it has recently updated its Web ordering site, www.beckorder.com, to accommodate French and Spanish speaking customers, in addition to English. The site now allows authorized users to place and track their orders in the three languages, as well as view and print invoices.

“We changed the Beck/Arnley Web ordering site to reflect the diversity of our customers,” said Sandy Norris, marketing coordinator. “Our company has been a global company since 1914, and we plan to continue that in every arena. We are currently working on translating our general Web site as well, www.beckarnley.com.”

Beck/Arnley is exclusively dedicated to supporting its distribution partners who service the foreign nameplate repair market. Founded in 1914, Beck/Arnley's broad product offering is organized into six modules: Brake & Chassis, Electrical, Clutch & Driveline, Engine Management, Engine Parts & Filtration, and Cooling Systems. Headquartered near Nashville, Tennessee, Beck/Arnley distributes parts to resellers through its MDC in Smyrna, Tennessee and satellite customer care centers strategically located around the U.S. and Canada. www.beckarnley.com.
