Beck/Arnley Promotes Ricky Robertson to Catalog Specialist

SMYRNA, Tenn., March 5, 2007 -- Beck/Arnley announced today that Ricky Robertson has been promoted to catalog specialist. In this position, Robertson is responsible for all catalog and database management, including updating and producing Beck/Arnley's printed catalogs, CD catalogs and Web catalog, as well as managing the image database and customer files. He will report to Dwight Brock, director of product data management.

"We would like to congratulate Ricky on his promotion to catalog specialist," said Brock. "He has many years of experience working directly with jobbers and installers so he has an in-depth understanding of Beck/Arnley's customers' catalog needs. Ricky is very well suited for this position and will be a tremendous asset to the Beck/Arnley family as we continue to grow."

Robertson began his career in the picking department at Worldparts in 1979. From there, he moved to the position of consolidator and then to the quality control/interchange department. Robertson also worked in quality assurance while simultaneously carrying customer service responsibilities.

Robertson attended Volunteer State Community College in Gallatin, Tenn. He is a Master Level Certified Import Parts Specialist and is married to Darlene and has two children, Nick and Casey, who are both in college. In his spare time, Robertson enjoys drama and singing.

Beck/Arnley is exclusively dedicated to supporting its distribution partners who service the foreign nameplate repair market. Founded in 1914, Beck/Arnley's broad product offering is organized into six modules: Brake & Chassis, Electrical, Clutch & Driveline, Engine Management, Engine Parts & Filtration, and Cooling Systems. Headquartered near Nashville, Tennessee, Beck/Arnley

distributes parts to resellers through its MDC in Smyrna, Tennessee and satellite customer care centers strategically located around the U.S. and Canada.
