Beck/Arnley Receives President's Award at National Catalog Managers Association (NCMA) Meeting

Honored By WHI Solutions for Electronic Data Excellence

SMYRNA, Tenn., May 25, 2009 – Beck/Arnley was recently honored with a Gold Level President's Award for Electronic Data Excellence at the 2009 National Catalog Managers Association (NCMA) Knowledge Exchange Conference, held in Newport Beach, Calif. The award was presented by WHI Solutions Inc.

"We are thrilled to have been recognized by WHI Solutions for our dedication to achieving excellence with our electronic data," said Dwight Brock, director of product data management. "Receiving the President's Award is an outstanding accomplishment and we are very proud to share this prestigious honor with all of those who worked extremely hard to make this possible. This award further illustrates Beck/Arnley's commitment to delivering accurate and organized data to meet our customer's needs."

About Beck/Arnley:

Beck/Arnley is exclusively dedicated to supporting its distribution partners who service the foreign nameplate repair market. Founded in 1914, Beck/Arnley's broad product offering for the aftermarket is organized into six modules: Brake & Chassis, Electrical, Clutch & Driveline, Engine Management, Engine Parts & Filtration, and Cooling Systems. Headquartered near Nashville, Tenn., Beck/Arnley researches, sources and delivers parts to resellers through its Master Distribution Center in Smyrna, Tenn. and strategically located satellite distribution centers across North America. Additional information is available at www.beckarnley.com.
