Beck/Arnley Adds 270 New Part Numbers

SMYRNA, Tenn., August 4, 2008 – Beck/Arnley recently added 270 new part numbers to its line of foreign nameplate products; this is in addition to the 781 numbers announced in January and April, for a total of 1,051 new part numbers this year.

The latest 270 part numbers fall within all six of Beck/Arnley's product modules:

- Brake & Chassis 155
- Clutch & Driveline 24
- Cooling 68
- Electrical 1
- Engine Management 6
- Engine Parts & Filtration 16

“These new part numbers are in line with our goal of being first to market with foreign nameplate products and providing our customers with the crucial parts that they need to repair today’s foreign nameplate vehicles,” said Dwight O. Brock, director of product data management for Beck/Arnley.

The new numbers can be downloaded in either a PDF or Excel format by visiting Beck/Arnley’s Web site at www.beckarnley.com. The new numbers are also available on Beck/Arnley’s Web catalog at www.beckcatalog.com.

About Beck/Arnley:

Beck/Arnley is exclusively dedicated to supporting its distribution partners who service the foreign nameplate repair market. Founded in 1914, Beck/Arnley's broad product offering is organized into six modules: Brake & Chassis, Electrical, Clutch & Driveline, Engine Management, Engine Parts & Filtration, and Cooling Systems. Headquartered near Nashville, Tennessee, Beck/Arnley distributes parts to resellers through its MDC in Smyrna, Tennessee and strategically located satellite customer care centers.
